Summary of Activities – March 2008

Met with Tony Niles in Senator Vitter's office to discuss USACE report on post Katrina storm proofing reimbursement. I was told that the Corps is still trying to figure out what money they have in stimulus and can't address our reimbursement issue until they figure that out. I will keep pressing.

President St. Pierre, and council members were in Washington for the NACO convention and meetings were arranged with the Louisiana delegation including Senators Landrieu & Vitter & Congressman Charlie Melancon and their staffs. Discussions focused on appropriation requests and other issues important to the Parish and council members, including cap and trade legislation.
